

Advancer HP

High Pressure PTCA Balloon Catheter

Our new Balloon, the Advancer HP has been in the market for over a year now. We are very glad with the performance of this PTCA Balloon. Just recently we developed a new brochure for the Advancer HP, please find it enclosed. The brochure is available free of charge.

We are confident you will be positively surprised with the HP and we would like to invite you to place a trial order.

Medica 2013

The international trade show Medica in Düsseldorf will be open from November 20 through November 23, 2013. As a meeting point for manufacturers, distributors and medical practitioners it is one of the largest shows in the Medical field. If you would like some extra information on the show please visit: www.medica.de

We will be at the Medica in Düsseldorf this year, on the Thursday 21st and Friday 22nd of November. A good moment to have a coffee and talk about chances and possibilities, exchange thoughts and maybe expand our business together. It would be a pleasure to meet you there. We can set a time or you can call me on my mobile phone: +31 6 45 6666 53.
